CEO Message

Cambodia is a country where around 80% of the population are farmers. Cambodia's economy mainly relies on exportation of agricultural products. In pursue of nation's economic growth, I decided to start a business in agricultural sector which is June Kruoch Trading Co.,ltd.

June Kruoch Trading Co.,ltd is developing itself to be one of the top Cambodia exporter. In good networking with Ministry of Commerce of Cambodia, Ministry of Agriculture Forestry and Fishery of Cambodia, local farmers and other NGOs, June Kruoch Trading Co., LTD is working actively to push Cambodia's agricultural products to international market.

Vision

To be the #1 exporter with the highest quality of Cambodia agricultural commodities to International market.

Mission

1. To bring Cambodia agricultural commodities into international market.
2. To develop Cambodia agricultural commodities quality to be complied with importer's standard and requirement through our technical support .
3. To minimize logistics cost in exporting products.
